Education

Southeast Community College

A.A.S. Graphic Design 2026

The graphic design program at Southeast Community College is comprehensive and intensive. Students are taught to research, concept, and build large projects with multiple components for clients.

Skills

- Adobe Illustrator
- Adobe Indesign
- Adobe Substance
- Adobe Photoshop
- Figma
- Wordpress
- Basic HTML & CSS

Experience

Agency 877

Graphic Design Intern | 2026

Collaborated within a fast-paced agency team to design posters and social media content in Adobe Illustrator while contributing to organized workflows and client-focused solutions, and gaining hands-on insight into agency processes and effective team communication.

Course Ground Coffee

Barista | 2025-2026

Delivered high-quality customer service in a fast-paced environment while preparing beverages to company standards and keeping an organized, sanitary workspace.

HyVee

Aisles Online Personal Shopper | 2021-2026

Filled time-sensitive online orders with attention to detail, ensuring accuracy, consistency, and quality while working with team members to meet daily production goals.
